** Axle+ versions have a higher CO₂, rate of VED & fuel consumption vs. standard axle.

All vehicles must be registered no later than the date specified within this price list to be eligible for the current savings. Vehicles ordered after the specified end date will be subject to the Scheme terms in operation, if applicable, at the time of registration. The employee price includes VAT, road fund licence, first registration fee, delivery and number plates. All prices are based on a standard car with no fitted options. The savings shown are in comparison to the Manufacturers Recommended Retail Prices. This document is for the buyer's guidance only, the latest prices should always be confirmed with your Dealer prior to ordering. Chrysler UK & Jeep UK will not be held responsible for any errors contained within this price guide. Participating Dealers only; please contact 07793 758305 for details. The Group Affinity Staff offers cannot be used in conjunction with any other offers or incentives. Price list effective 1 July 2014 and supersedes all previous price lists.
